

Special Business Workshop: Wednesday November 11, 2009

"Good Players Sometimes Play Hurt"

Today is the first day of the rest of your business' life!

In business, as in sports, the best players can compete in any conditions. In fact, the greatest players overcome all obstacles and win anyway.

Six Month Marketing Action Plan Workshop

No lecturing and no buzzwords, just a workshop and a program to drive new business and more sales in the next six months.

This is not a miracle plan and it won't cost you a lot of money, but it will take some effort and focus on your part to reach your target.

Spend 90-minutes in this workshop to learn what you need to do every step of the way - for six months - to generate new business.

We will create a new, demand-generating offer for your business and give you tools to keep you on track. Plus, we'll help you discover:

1. Why your customers buy from you
2. How you can beat your competition
3. A method to expand your reach exponentially
4. A framework of goals for the next 6-months.
